You are also invited to submit proposals for a 15-minute talk or a 40-minute workshop that coincide with the conference theme.

**Talks** are scheduled for 20-minute slots: 15 minutes for the presentation and 5 minutes for Q & A. It is anticipated that the content will primarily be presenter-led but interaction can be included within the 15 minutes.

**Workshops** are scheduled for 45-minute slots: 40 minutes for the content and 5 minutes for Q & A. It is anticipated that the content will involve a high degree of audience participation but the mode of delivery may vary.

We welcome proposals from established and newer EAP practitioners alike. You may draw on theory but the practical ramifications for EAP should be in evidence.

Your proposal should contain a **title** (15 words maximum), an **abstract** (60 words maximum), a full **description** of the content (200 words maximum) and **biodata** (50 words maximum). References are not required but a maximum of six can be included, following APA formatting requirements.

Submit your proposal as a word document to Wayne Rimmer [wayne.rimmer@manchester.ac.uk](mailto:wayne.rimmer@manchester.ac.uk) by **June 18th**.
