Abertay University

The initial planning process!

Entry Requirements

Applicants must have a minimum of upper second class (2:1) honours degree that demonstrates expertise in one the following areas: Computer Games Technology and Computer Science, Digital Art and Animation, Games Design and Production, Audio Production.

Overseas/EU

All applicants are required to provide certified proof of competence in English language. The University's minimum requirements are listed [here](#).

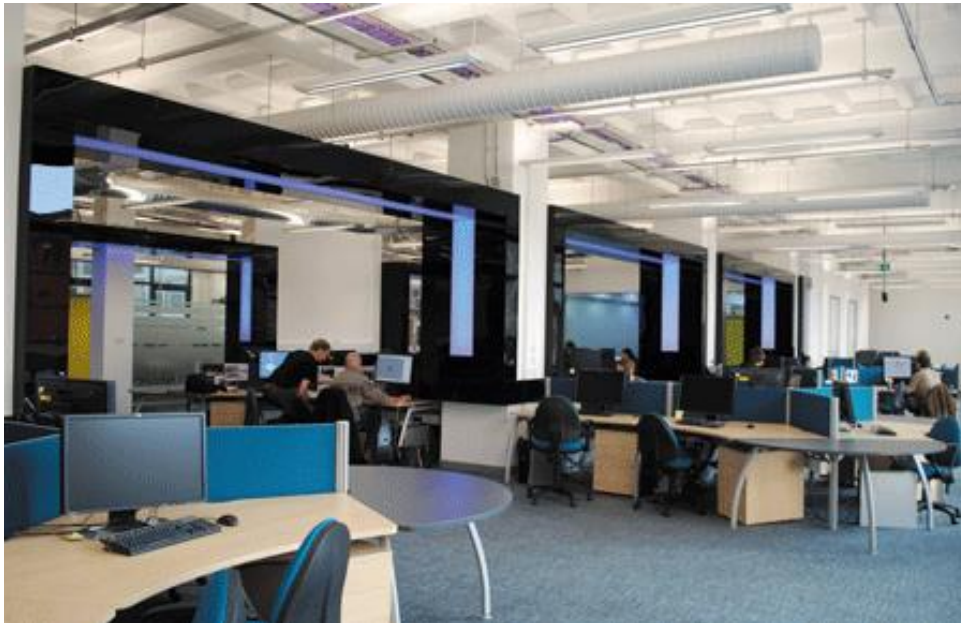

HOW TO APPLY →

Lili, one of our first MPPOP students (and currently featured on our website)

Teaching at Pixseed, Perfect World's digital arts school in Beijing

The MProf area in the Centre for Excellence at Abertay

Aligning the assessments – considerations

Our students need to be able to demonstrate that
they are prepared for postgraduate study in the
UK

They also need to be able to demonstrate that
they are prepared for the requirements of the
MProf

Three main criteria **specific to the MProf**

Finally, they must be able to demonstrate that
they **meet UKVI English language requirements**

Assessments

- 4 separate assessments – integrated skills
